

## New Account Registration Guide

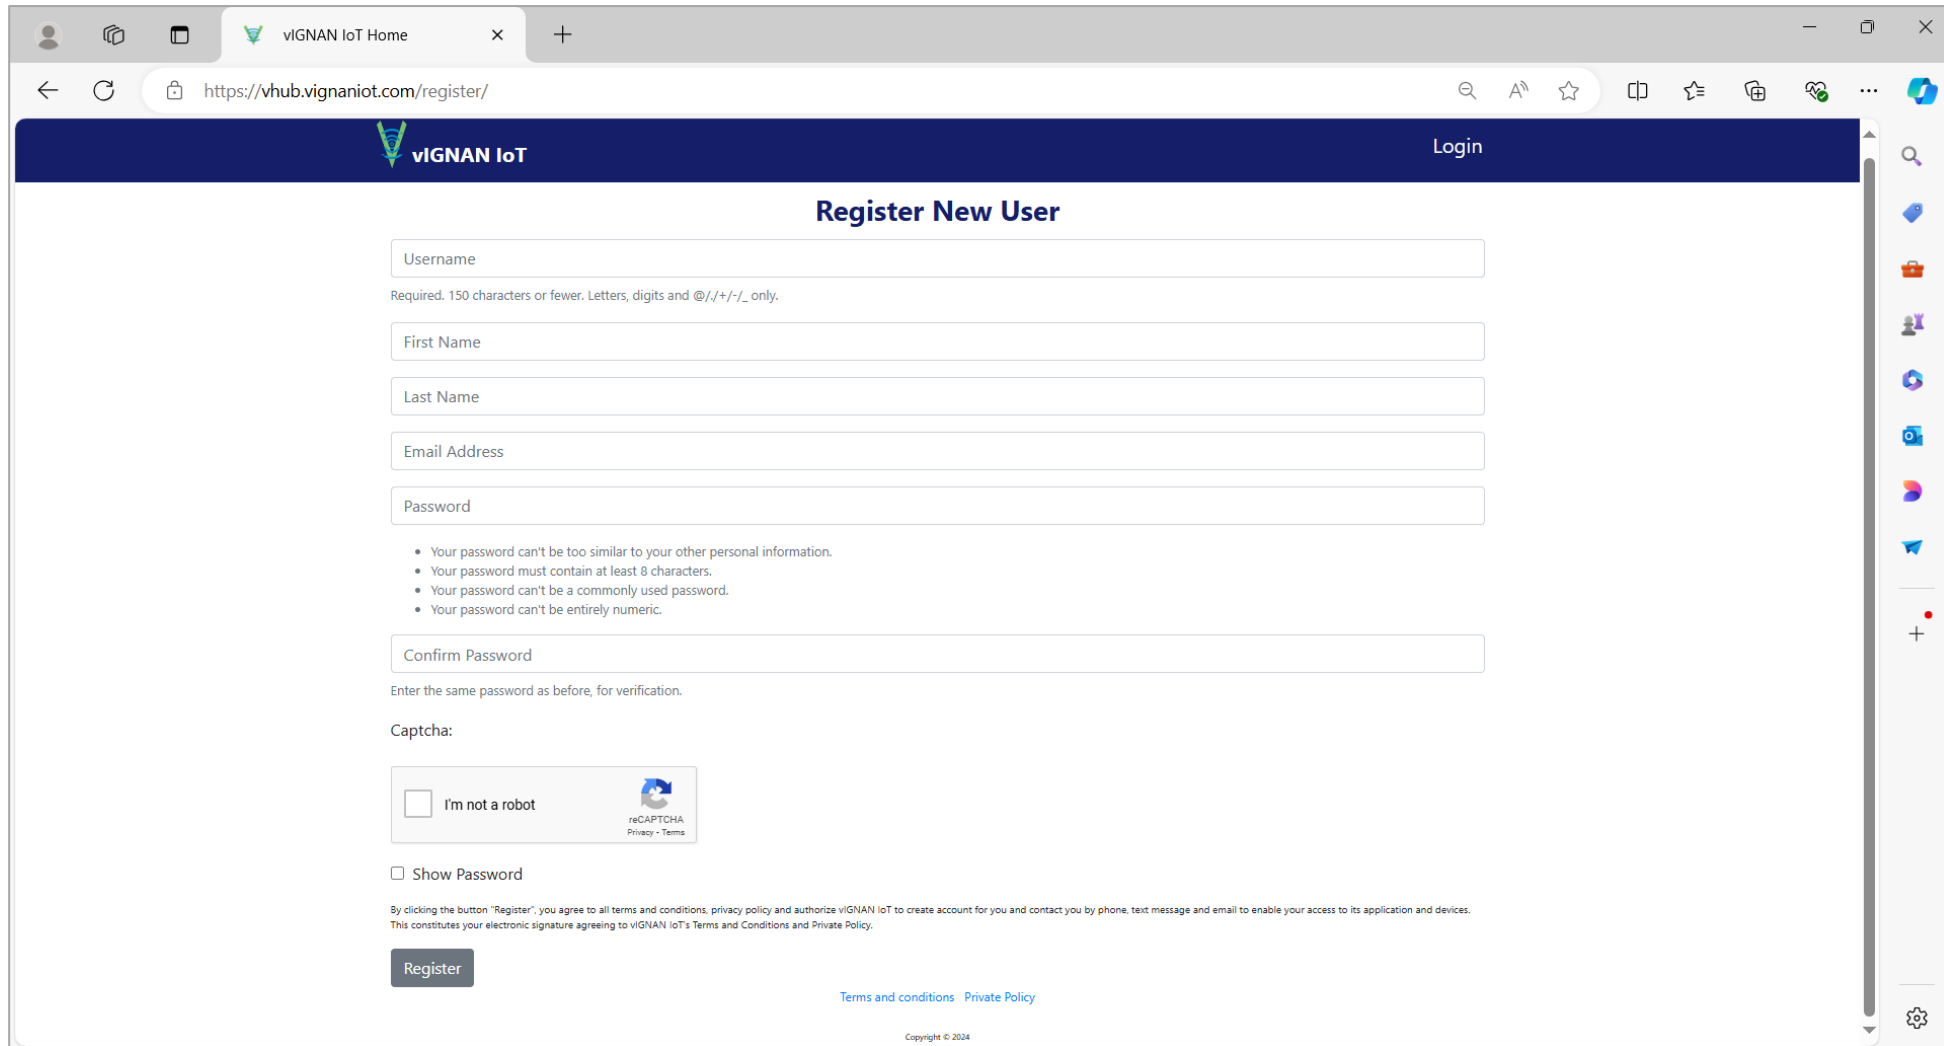

First Time User

# Step-1 Account Registration

1. Open Internet Browser and go to URL <https://vhub.vignaniot.com/register/>
2. Fill all the field values and click "Register"

**Note:** Username is case sensitive

The screenshot shows a web browser window with the URL <https://vhub.vignaniot.com/register/>. The page has a dark blue header with the vGNAN IoT logo and a 'Login' link. The main content area is titled 'Register New User' and contains several input fields: Username, First Name, Last Name, Email Address, Password, and Confirm Password. Below the Password field, there are four bullet points listing password requirements. Below the Confirm Password field, there is a 'Captcha' section with a checkbox labeled 'I'm not a robot' and a reCAPTCHA logo. At the bottom, there is a 'Show Password' checkbox, a 'Register' button, and a footer with links to 'Terms and conditions' and 'Private Policy', and a copyright notice 'Copyright © 2024'.

Username

Required. 150 characters or fewer. Letters, digits and @/./+/-/\_ only.

First Name

Last Name

Email Address

Password

- Your password can't be too similar to your other personal information.
- Your password must contain at least 8 characters.
- Your password can't be a commonly used password.
- Your password can't be entirely numeric.

Confirm Password

Enter the same password as before, for verification.

Captcha:

☐ I'm not a robot

reCAPTCHA  
Privacy - Terms

☐ Show Password

By clicking the button "Register", you agree to all terms and conditions, privacy policy and authorize vGNAN IoT to create account for you and contact you by phone, text message and email to enable your access to its application and devices.  
This constitutes your electronic signature agreeing to vGNAN IoT's Terms and Conditions and Private Policy.

## Step-2 Email Verification

1. Check your email Inbox for an email from "admin@vignaniot.com" with subject "Email verification code from VIGNANIOT.COM"  
\* Also check your Junk Box

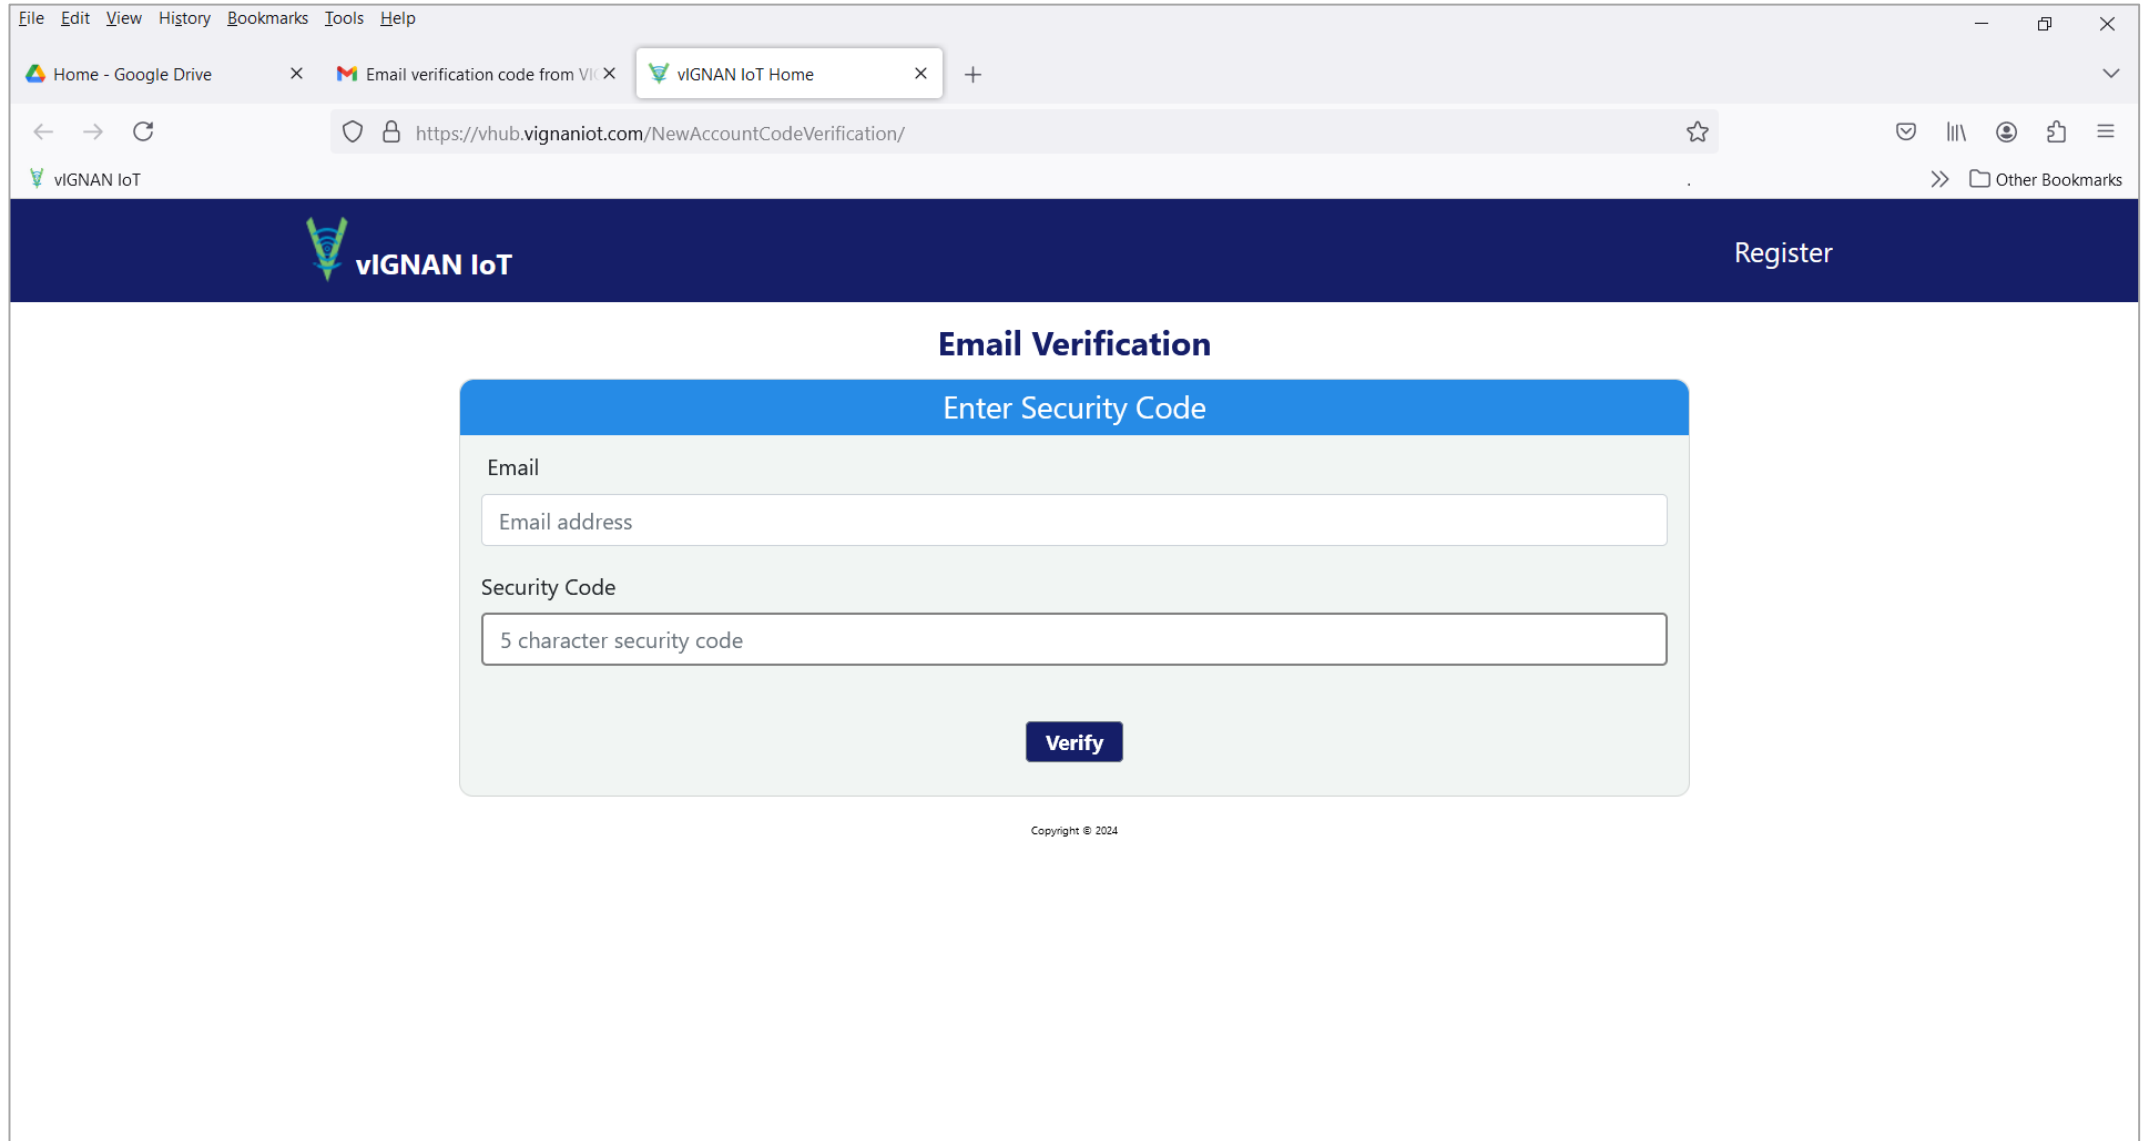

## Step-2 Email Verification (continued...)

2. Follow the instructions in the email message to complete email verification (See example image below)

## Step-2 Email Verification (*continued...*)

3. Type your email address, 5 character code and click on "Verify" button (*See example image below*)

The screenshot shows a web browser window with the VIGNAN IoT website. The browser's address bar displays the URL `https://vhub.vignaniot.com/NewAccountCodeVerification/`. The website's header features the VIGNAN IoT logo on the left and a "Register" link on the right. The main content area is titled "Email Verification" and contains a form with a blue header "Enter Security Code". The form has two sections: "Email" with a text input field labeled "Email address", and "Security Code" with a text input field labeled "5 character security code". A dark blue "Verify" button is positioned at the bottom of the form. At the very bottom of the page, there is a small copyright notice: "Copyright © 2024".
